CHANGE IN 2006 REBATE REQUIREMENTS

House Bill 06S-1023, which Governor Bill Owens signed into law on July 31, 2006, restricts who may receive public benefits in the State of Colorado. This law requires a change in the procedure for Denver Water rebate applications.

Under the new law, anyone 18 years of age or older must prove lawful presence in the United States in order to receive non-emergency public benefits. This applies to the Denver Water rebate. Although the new law went into effect on August 1, 2006, it applies to rebate applications even if the device was purchased prior to that date.

In order to prove lawful presence in the United States, you must produce one of the following forms of identification:

- a valid Colorado driver's license;

Note: The Colorado Department of Revenue will allow us to accept a driver's license from the District of Columbia or any of the following 33 states:

Alabama, Arizona, Arkansas, California, Connecticut, Delaware, Florida, Georgia, Idaho, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Minnesota, Mississippi, Missouri, Montana, Nevada, New Hampshire, New Jersey, New York, North Dakota, Ohio, Oklahoma, Pennsylvania, Rhode Island, South Carolina, South Dakota, Virginia, West Virginia, or Wyoming;

- a valid Colorado identification card;
- a United States military card;
- a United States military dependent's identification card;
- a United States Coast Guard Merchant Mariner card;
- a Native American tribal document;
- a birth certificate issued by a state, county, or parish;
- a naturalization or citizenship certificate;
- a court-issued adoption order;
- an unexpired foreign passport;
- an I-94 immigration form with refugee or asylum status; or
- an unexpired resident alien card, permanent resident card, temporary resident card, or employment authorization card.

In addition, you must sign an affidavit stating either: (1) you are a United States citizen; or (2) you are a legal permanent resident of the United States; or (3) you are otherwise lawfully present in the United States pursuant to federal law. A blank affidavit is attached for your convenience.

Please mail a photocopy of your identification (in one of the forms listed above) and your signed affidavit along with the other rebate paperwork. We assure you that this information will remain confidential.

We regret any inconvenience these new requirements may cause. Please call the Conservation Hotline at 303-628-6343 if you have any questions or concerns.

AFFIDAVIT OF LAWFUL PRESENCE IN THE U.S.

I, _____ (print name legibly), swear or affirm under penalty of perjury under the laws of the State of Colorado that (check one):

___ I am a United States citizen, or

___ I am not a United States citizen, but I am a Permanent Resident of the United States, or

___ I am not a United States citizen, but I am lawfully present in the United States pursuant to Federal law.

I understand that this sworn statement is required by law because I have applied for a public benefit. I understand that state law requires me to provide proof that I am lawfully present in the United States prior to receipt of this public benefit. I further acknowledge that making a false, fictitious, or fraudulent statement or representation in this sworn affidavit is punishable under the criminal laws of Colorado as perjury in the second degree under Colorado Revised Statute 18-8-503 and it shall constitute a separate criminal offense each time a public benefit is fraudulently received.
